COMMUNIQUE

**Economic roundtable for the Togolese, African and Afro-descendant diasporas,
Lomé, from 9th to 12th December 2025**

The Permanent Mission of Togo to the United Nations announces that an economic roundtable for the Togolese, African and Afro-descendant diasporas will be held in both in-person and virtual formats, **from 9th to 12th December 2025**, on the sidelines of the 9th Pan-African Congress in Lomé.

The main objective of this meeting is to stimulate investment from the diasporas and finance bankable projects in Togo. It will also serve as a strategic platform for mobilizing and leveraging the economic contributions of the diaspora to support Togolese innovators and entrepreneurs.

The discussions planned for this roundtable will thus make it possible to identify and utilize the financing opportunities available within the diasporas, with a view to strengthening resource mobilization in favor of national development.
